**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Honorable County Judge and Commissioners of
Travis County, Texas

We have audited the statutory basis financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Travis County, Texas (the County) as of and for the year ended September 30, 2012, and have issued our report thereon dated February 22, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of Travis County is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the County's internal control over financial reporting as a basis for our auditing procedures for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's basic financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, including the Public Funds Investment Act (Section 2256, Texas Government Code), regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The result of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the County Judge and Commissioners, management of the County, and federal and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specific parties.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH
REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL EFFECT
ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

To the Honorable County Judge and Commissioners of
Travis County, Texas

Compliance

We have audited the compliance of Travis County, Texas (the County) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that could have a direct and material effect on each of its major federal and state programs for the year ended September 30, 2012. The County's major federal and state programs are identified in the summary of auditors' results section of the accompanying *Schedule of Findings and Questioned Costs*. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal and state programs is the responsibility of the County's management. Our responsibility is to express an opinion on the County's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; U.S. OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*; the State of Texas *Uniform Grant Management Standards* (UGMS) issued by the Governor's Office of Budget and Planning; and the *State of Texas Single Audit Circular*. Those standards and circulars require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or state program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the County's compliance with those requirements.

In our opinion, the County complied in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended September 30, 2012. However, the results of our auditing procedures disclosed instances of noncompliance with those requirements that are required to be reported in accordance with OMB Circular A-133 and the *State of Texas Single Audit Circular* and which are described in the accompanying schedule of findings and questioned costs as items 2012-01 and 2012-02.

Internal Control Over Compliance

The management of the County is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal and state programs. In planning and performing our audit, we considered the County's internal control over compliance with requirements that could have a direct and material effect on a major federal or state program as a basis for designing our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133 and the *State of Texas Single Audit Circular*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Schedules of Expenditures of Federal and State Awards

We have audited the statutory basis financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the County as of and for the year ended September 30, 2012, and have issued our report thereon dated February 22, 2013. Our audit was performed for the purpose of forming our opinion on the statutory basis financial statements that collectively comprise the County's basic financial statements. The accompanying schedules of expenditures of federal and state awards are presented for purposes of additional analysis as required by OMB Circular A-133 and the *State of Texas Single Audit Circular*. The supplemental schedules on pages 19 to 26 are also presented for the purpose of additional analysis as required by the Texas Department of Housing and Community Affairs (TDHCA). These schedules are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain other procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance the auditing standards generally accepted in the United States of America. In our opinion, the schedules of federal and state awards and supplemental schedules are fairly stated, in all material respects, in relation to the financial statements taken as a whole.

The County's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. We did not audit the County's responses and, accordingly, we express no opinion on the responses.

This report is intended solely for the information and use of the County Judge and Commissioners, management of the County, and applicable federal and state grantors and is not intended to be and should not be used by anyone other than these specified parties.

---------	-----------

State	\$300,000
-------	-----------

k. Auditee qualified as low risk? Yes

II. Findings Relating to Financial Statements Required to be Reported in Accordance with *Generally Accepted Government Auditing Standards*:

None

Travis County, Texas
Schedule of Findings and Questioned Costs
September 30, 2012

III. Findings and Questioned Costs for Federal and State Awards:

Finding 2012-01

Major Program:

93.568 Low-Income Home Energy Assistance - Comprehensive Energy Assistance Program (CEAP)

Criteria:

The grant allows for utility assistance as well as a heating and cooling component for the weatherization of dwelling units whose inhabitants meet the low-income guidelines established by the grant. However, grant funds may not be used to weatherize vacant units.

Condition:

Travis County weatherized vacant units which is not allowable under the grant.

Cause:

There is no policy in place at Travis County, with regards to this grant, that prevents grant managers from approving the weatherization of vacant units.

Effect:

Travis County used grant funds for costs that were not allowable under the grant provisions. As such, Travis County will be required to reimburse the granting agency for the funds expended to weatherize vacant units.

Recommendation:

We recommend that Travis County establish a policy related to this grant, which includes verification that the unit is occupied before grant funds are used to renovate that unit.

Management Response:

The Travis County Weatherization Program uses funds from two grants (LIHEAP and CEAP) under CFDA 93.568, one grant under CFDA 81.042, as well as county funds. Though both the LIHEAP and CEAP grants are under CFDA 93.568, LIHEAP allows for weatherization of vacant units while CEAP does not. Management agrees that it weatherized two units using CEAP funds not authorized for use on vacant units.

Travis County, Texas
Schedule of Findings and Questioned Costs
September 30, 2012

Finding 2012-02

Major Program:

State Forfeited Property

Criteria:

The State of Texas allows state forfeited funds to be used for law enforcement expenditures but the forfeited funds are not to reduce or offset the Travis County Sheriff's operating budget. The budget for forfeited funds must be submitted to the Commissioners' Court before the Sheriff's office is authorized to spend the funds.

Condition:

The Travis County Sheriff's Office did not submit a budget to the Commissioners' Court before spending the state forfeited funds.

Cause:

There is no policy in place at the Travis County Sherriff's Office requiring the submission of an expenditures budget to the Commissioners' Court prior to spending state forfeited funds.

Effect:

The Travis County Sheriff's Office expended grant funds for law enforcement costs before submitting a state forfeited funds budget to the Commissioners' Court.

Recommendation:

We recommend that the Travis County Sheriff's Office establish a policy to present a budget to the Commissioners' Court for expenditures of state forfeited funds before expenditure of the funds.

Management Response:

Management agrees that Chapter 59 of the Texas Code of Criminal Procedure (CCP) requires the Travis County Sheriff to present a budget to the Commissioners Court prior to expending forfeited funds. However, these are not grant funds, they are forfeited funds derived from civil actions in State court. The statute provides no penalty for failure to comply with the budget filing requirement, thus these funds are not subject to reimbursement. The Attorney General has opined* that the budget for expenditure of forfeited funds is informational in nature and requires no "front-end review" or "approval" by commissioners except when used for salaries.

**NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AND STATE AWARDS
FISCAL YEAR ENDED SEPTEMBER 30, 2012**

1. BASIS OF ACCOUNTING

The accompanying Schedule of Expenditures of Federal Awards and the Schedule of Expenditures of State Awards are prepared using the modified accrual basis of accounting. Under this basis, expenditures are recorded when incurred, if measurable.

2. NONCASH AWARDS

Certain federal and state award programs do not involve cash awards to Travis County.

Federal	<u>CFDA #</u>	<u>Contract #</u>	
U.S. Department of Agriculture			
Passed through Texas Department of Agriculture:			
Commodities Fiscal Year 2011-2012	10.550	75-227022A	\$ 470
Commodities Fiscal Year 2012-2013	10.550	75-227022A	8,223
Total U.S. Department of Agriculture Non-Cash Awards			<u>8,693</u>
U.S. Department of Health and Human Services			
Passed through Texas Department of Housing and Community Affairs:			
Donated equipment	81.042	16090000680	16,500
Total Federal Non-Cash Awards			<u>25,193</u>
State			
Office of the Attorney General			
Statewide Automated Verification Notification System	NA	1337625	<u>2,778</u>
Total State Non-Cash Awards			<u>2,778</u>
Total Federal and State Non-Cash Awards			<u>\$ 27,971</u>

3. SUBRECIPIENTS

During the year ended September 30, 2012 there was \$422,911 awarded under federal grants and \$305,158 awarded under state grants passed through to subrecipients.

**4. VERIFICATION OF EXPENDITURES BY BUDGET CATEGORY-
TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS CONTRACTS**

The accompanying Supplemental Grant Revenue and Expense Schedules are in response to the Texas Department of Housing and Community Affairs contractual requirements stating under Section 16.A.4 that the audit report must include verification of all expenditures by budget category, in accordance with the final Funding Report submitted to close our the contract year.

TRAVIS COUNTY, TEXAS

CORRECTIVE ACTION PLAN FISCAL YEAR ENDED SEPTEMBER 30, 2012

Finding 2012-01

Major Program:

93.568 Low-Income Home Energy Assistance - Comprehensive Energy Assistance Program (CEAP)

Finding

Travis County used grant funds for costs that were not allowable under the grant provisions. As such, Travis County will be required to reimburse the granting agency for the funds expended to weatherize vacant units.

Corrective Actions Taken or Planned:

Corrective Actions:

Travis County has reimbursed the CEAP grant approximately \$2,200 for funds used to weatherize two vacant units. The contract with TDHCA is silent on the use of funds for vacant units, and therefore use of funds for vacant units is disallowed. The County Auditor has reclassified the disallowed costs to the general fund.

The Travis County Health and Human Services Department has developed detail procedures for identifying which grant sources may be used for weatherizing vacant units. These procedures include approval by the Department's financial management in consultation with the Travis County Auditor's Grant Department prior to the weatherization of vacant units.

The Travis County Auditor's Grant Department will audit backup documentation submitted by the Department to ensure there is a client associated with each job.

Finding 2012-02

Major Program:

State Forfeited Property

Finding:

The Travis County Sheriff's Office expended grant funds for law enforcement costs before submitting a state forfeited funds budget to the Commissioners' Court.

Corrective Actions Taken or Planned:

Corrective Actions:

The Travis County Sheriff's Office will provide Travis County Commissioners Court with a budget for its use of forfeited funds for 2013. Beginning fiscal 2014 and each year thereafter, the Sheriff's Office will provide to Commissioners Court a forfeited funds budget prior to expenditure of any forfeited funds.
